Dear Michelle, Peta, Sally and team

Just a note to thank you for the PLAN Conference in Cairns I had a great time and again as usual nothing was a trouble pre and during the conference and everything was as promised.

I believe after this conference there are no negatives but worries?

I worry how your organisation is going to top the gala function on Friday night. KISS, Pink or Cold Chisel may be required to top the magnificent fare that was presented on Friday night.

If I have the opportunity I will have no hesitation in recommending your company.

Thanks again and see you next year

Yours in conferencing/partying
