Dear Natalie

As you are aware we booked your corporate suite 2-16 at the MCG on Sunday 11th January 2009. We were there to witness the Twenty/20 Cricket match between Australia and South Africa.

We invited several guests who are Clients of our Company. I would like to express my thanks for the superb organisation of the evening and the event. The staff were very helpful and attentive. The food was exceptional and ample on portions and the wine and drinks flowed freely. All this went to assist in our enjoyment of the cricket match.

But above all, it was an important part of our marketing and entertainment which is a small budget. The venue and event meant total enjoyment by my clients and a further ongoing bond every time we speak with them.

Congratulations on your initiative in promoting such a brilliant venue which all guests can view in the comfort of their own comfortable chair in the very convivial surroundings of your own private room.

Please pass on to your Directors and Staff our thanks for an excellent marketing format. We will certainly book again!

Yours sincerely
